Dynamometer Performance Testing Conditions

1. Control of the vehicle will be handed over to the Dynamometer operations.
2. All care shall be taken, however NO responsibility or liability will be accepted for any damage or mechanical failure resulting from any activity with the chassis Dynamometer or the Dynamometer operations.
3. The vehicle owner/agent warrants that their vehicle is in a safe mechanical and roadworthy condition to withstand peak loads during the run on the Dynamometer.
4. **SIGNATURE PERFORMANCE** and the Dynamometer operators reserve the right to refuse any vehicle.

I therefore indemnify **SIGNATURE PERFORMANCE**, respective management, staff, employees, operators, volunteers and sponsors including members and the organisers and sponsors of the **Shannons Queensland Autospectacular** and members of the **Willowbank Raceway Incorporated**, against any/all claims, action, demands, losses, damages, costs and expenses whatsoever suffered from or incurred as a result of the above mentioned activity.
