INTRODUCTION

The Queensland Autospectacular is set to become the Premier Car Enthusiasts Events held in the Brisbane Region each year.

The event is run by the Buick Car Club of Australia (Qld) Inc in partnership with Willowbank Raceway Inc.

The Buick Car Club of Australia (Qld.) Inc operated the Cleveland Autospectacular for ten year.

The inaugural Shannons Queensland Autospectacular held at Willowbank in 2011 achieved:

- *900 cars on Display*
- *150 cars judged in the Car Show*
- *40 Motorbikes on Display & judged in the Bike Show*
- *300 Swap Sites*
- *60 Trade Sites*
- *nearly 6,000 people through the gates on the day.*

The Buick Car Club also ran the highly successful GM Day Autospectacular in 2008 which featured over 500 show cars, trade stalls and attracted the Holden Coupe 60 Concept Car.

With the closure of the Cleveland Autospectacular the Buick Car Club took the opportunity to team with the Willowbank management team to create an all new Shannons Queensland Autospectacular at Willowbank Raceway in 2011.

This venue provided the opportunity to open up a wide range of additional features that were incorporated into the event and continue to be added on an annual basis.

Autospectacular events have attracted entrants from the Bayside of Brisbane Region, Toowoomba,

Bundaberg, Northern NSW as well as from areas throughout the Logan, Ipswich & Brisbane City district.

The Shannons Queensland Autospectacular will again be managed by the Buick Car Club of Australia (QLD) Inc, in conjunction with Willowbank Raceway Inc.

This event will build upon the already good reputation established by the Buick Car Club (Qld) Inc events held in South East Queensland.

This is your opportunity to share in the rewards!
